

SECTION V - Reactivity Data

Stability	Unstable	Stable	X	Conditions to Avoid	None
Incompatibility (Materials to Avoid) None					
Hazardous Decomposition or Byproducts ND					
Hazardous Polymerization	May Occur	Will Not Occur		Conditions to Avoid	None
X					

SECTION VI - Health Hazard Data

Route(s) of Entry:	Inhalation?	No	Skin?	No	Ingestion?	No
Health Hazards (Acute and Chronic) None						
Carcinogenicity: NTP? No IARC Monographs? No OSHA Regulated? No						
Signs and Symptoms of Exposure						
Medical Conditions Generally Aggravated by Exposure						
Emergency and First Aid Procedures Eye contact -Immediately flush the eyes with large quantities of running water for a minimum of 15 minutes. Hold the eyelids apart during the flushing to ensure rinsing of the entire surface of the eye and lids with water. Do not attempt to neutralize with chemical agents. Obtain medical attention as soon as possible. Oils or ointments should not be used at this time.						
Continue the flushing for an additional 15 minutes if a physician is not immediately available.						
Skin Contact - If allergies develop, discontinue use.						
Inhalation - NA						
Ingestion - Induce vomiting. Give a glass of water. If vomiting does occur give fluids again. Do not give anything to an unconscious or convulsing person.						

SECTION VII - Precautions for Safe Handling and Use

Steps to be Taken in Case Material is Released or Spilled					
Waste Disposal Method					
Precautions to be Taken in Handling and Storing Store in a cool, dry place. Do not store in a hot environment.					
Other Precautions None.					

SECTION VIII - Control Measures

Respiratory Protection (Specific Type) NA					
Ventilation General room ventilation is sufficient.	Local Exhaust	Mechanical (General)	Special	Other	
Protective Gloves NA			Eye Protection		
Other Protective Clothing or Equipment NA					
Work/Hygienic Practices All food should be kept in a separate area, away from the working location. Eating, drinking and smoking should be prohibited in work areas. Before eating, hands and face should be thoroughly washed.
